

AUTISM AWARENESS MONTH

ABC of Kuwait in partnership with Al Mulla & Behbehani Motor Company, is delighted to host an opening evening in celebration of Autism Awareness Month.

The evening will include two guest speakers providing lectures. The first lecture will include an overview of Autism and Applied Behavior Analysis (ABA) as an effective intervention. The second lecture will discuss effective strategies for dealing with children with problem behaviors.

Presenters

First Lecturer: Amy Atwell, BCBA, MBA of the New England Center for Children
Second Lecturer: Amber Mandler, BCBA, of the New England Center for Children

Time: 5.30pm to 9.00pm

Date: Monday 8th April, 2013

Location: GUST University, Lecture Hall W6500, West Mishref

With the support of our sponsors, we are happy to make these talks open to the public and free of charge.

Snacks and refreshments will also be provided.

A special thanks to the American Embassy, Behbehani Motor Company, and GUST for their support in this event.
